

The ARTA Rating System is designed to provide an alternative accommodation rating system by allocating diamonds rather than stars. It is a system whereby the properties are rated by people who actually stay at the property and use the facilities. If there is not enough hot water, or if you provide some extra service which appeals to your guest, it should show up in the ratings. While the current AAA system works well, many are unhappy with the conditions under which they will be permitted to use the system, and many will not be able to use the system because they prefer not to take the required enhancement package offered.

The ARTA Rating System is designed to counter this and any rating supplied by us can be used in your advertising anywhere. You will need to display the rating as an ARTA rating rather than a AAA rating. Typically it will look something like this ARTA ◆◆◆◆

HOW TO RATE YOUR PROPERTY

1. Print out 3 of the attached rating forms.
2. Select the rooms you wish to have rated using either all odd numbers or even numbers..
3. All selected rooms must be rated within a 7 day period.
4. ARTA believes properties should be rated by the highest standard of accommodation it can provide rather than the lowest. For example, if you have 8 rooms at 3.5 Star and 8 at 3 Star we consider that property is be able to provide 3.5 Star accommodation.
5. Fill in your present Rating in the box provided in the bottom right corner, and the unit numbers you want to assess in the Unit N^o at the top of each form.
6. Ask your guests if they would mind filling in the form to assess the room. If they agree, provide them with a form and explain the assessment system to them. They will be required to assess the general appearance, outdoor and indoor facilities and condition, and give an overall rating. Ratings will generally fall into the category of Fair, Good or Excellent. The Overall Rating section near the bottom right of the form should be filled in with an 'X' for ratings of 1-5 or with a '+' or '-' if they consider it above or below the number provided.
7. Collect the completed forms, make sure they are filled out properly, sign the back, and mail them to

ARTA Ratings will be used on the ARTA and Aussie Traveller websites as they are assessed.
